

Presidents Message

I am honored to serve as your President for the 2011/2012 school year. I am excited to work with the GCAPT executive committee, and to serve the members of the Gulf Coast Chapter.

Our mission on the executive committee is to share information that will provide for a safer and more efficient transportation service for all of our students. We will provide you with up to date information through our chapter meeting and on our web page. www.gcapt.org

Due to budget constraints this will be a challenging year as we prepare for the upcoming events. We hope we will have the resources to assist each of you with any issues, concerns, decisions that maybe facing you this year, through sharing what other districts are doing, providing training for your needs and combining all our districts to make a change in the safety of our school buses and students.

It has been a learning adventure working behind the scenes for many years with GCAPT and now being on the executive committee. I have learned a lot from the people that served on the executive committee before me. The executive committee will strive to make a difference like all those that served before us. I hope to meet a lot more GCAPT members in the future and to be able to learn from them and vice versa. We as an executive committee will strive to provide you with information your districts need. If I can be of any assistance to you please don't hesitate to contact myself or any GCAPT executive committee member. Thank you for your support!

Sincerely,

Debbie S. Jones

President, Gulf Coast Association for Pupil Transportation

President: Debbie Jones
